

# Technology Assessment Form

TAP RISE (Technology Acceleration Platform for Rural Innovation and Social Entrepreneurship) Project is supported by the Science for Equity, Empowerment and Development(SEED)Division of the Department of Science and Technology (DST).

This Form is for identification of technologies for Scaling up through TAP RISE platform.

*\* Indicates required question*

---

1. Email \*

---

## ORGANIZATION RELATED INFORMATION

2. Q1. Organization Name \*

---

3. Q2. Address of organization \*

---

4. Q3. Name of Principal investigator \*

---

5. Q4. Official Contact number \*

---

6. Q5. What is the name of the Technology / Product?

---

7. Q6. In which year was the technology developed by your organization.

---

## TECHNOLOGY RELATED INFORMATION

8. Q1. What is the innovation in the technology/product? (50 words) \*

---

9. Q2. Please provide a brief description of the technology. \*

---

10. \*

Q3. In which year was the above technology developed by your organization?

---

11. Q4. What is stage of product development of your technology? \*

*Check all that apply.*

- Proof of Concept
- Prototyping
- Validation and Testing
- Manufacturing
- Commercialization and marketing

12. Q5 Have you conducted pilot test of this technology? \*

*Mark only one oval.*

- Yes
- No

13. Q6. If pilot testing was done, what was the sample size on which testing done?

*Mark only one oval.*

- 0 - 10
- 10 -50
- 50- 100
- More than 100

14. Q7. Under which company name the technology is registered? \*

---

15. Q8. Please provide specifications/features of technology in terms of performance, output, capacity, etc \*

---

16. Q9. If you have prepared any brochure/booklet/operating manual of the technology, please upload here?

Files submitted:

17. Q10. Who are buyers/potential customers of the technology? \*

---

18. Q11. Are there any competitors for above mentioned technology? If possible, please mention their names.

---

---

---

---

---

19. Q12. Please share/upload the image/picture of the technology. \*

Files submitted:

20. Q13. If possible, please share short video clip of the technology.

Files submitted:

21. Q14. Under which Sustainable development goals does the technology align with?

*Check all that apply.*

- 1. No Poverty
- 2. Zero Hunger
- 3. Good health and well-being
- 4. Quality education
- 5. Gender Equality
- 6. Clean water and Sanitation
- 7. Affordable and clean energy
- 8. Decent work and economic growth
- 9. Industry, innovation and infrastructure
- 10. Reduced inequalities
- 11. Sustainable cities and communities
- 12. Responsible consumption and production
- 13. Climate Action
- 14. Life below water
- 15. Life on land
- 16. Peace, Justice and strong Institutions
- 17. Partnerships for the goals
- None of the above

22. Q15. Is the technology validated, if yes please provide details of the certification or licenses applicable for the same.

---

---

---

---

---

## SOCIAL READINESS LEVEL

23. Q1 Does your product/technology serve any societal cause/issue? Please specify if so \*

---

24. Q2. Does your product/technology enables local participation? If so, please specify the activity \*

---

25. Q3. Are there any key stakeholders involved during the development phase of the technology/ product.

---

26. Q4. Does it involve use of local natural resources or external resources? \*

---

27. Q5. Does your product/technology affect the environment? \*

---

28. Q6. Does your product/technology serve rural or urban population or both? \*

*Check all that apply.*

- a) Rural Population  
 b) Urban population  
 c) Peri-Urban population

29. Q7. Have you conducted any awareness campaigns with respect to the developed product or technology ? \*

*Mark only one oval.*

Yes

No

30. Q8. How did the audience respond for adoption of the technology or product.

*Mark only one oval.*

Positively

Negatively

None

Option 4

31. Q9. Is the efficiency of the product/technology monitored. \*

*Mark only one oval.*

Yes

No

32. 10. How frequently is the performance monitored.

*Mark only one oval.*

Weekly

Monthly

Quarterly

Annually

None of the Above

## ENTERPRISE READINESS LEVEL

In case your product/technology is already being sold in market and has a dedicated manufacturing unit, please fill this form

33. Q1. What is the selling price of the product/technology per unit in INR? \*

---

34. Q2. What is the manufacturing cost of the product/technology per unit in INR?

---

35. Q3. How many units have you sold/installed till now? \*

---

36. Q4. Do you have variants/models available in your product/ technology? If so, on what basis have they been? \*

---

37. Q5. What geographical regions/States does your technology currently serve? \*

---

38. Q6. Do you plan to reach out other geographical regions/states? If so, please specify \*

---

39. Q7. Do you have dedicated manufacturing unit for product / technology? If so, specify name(s) and location(s) of the same. \*

---

40. Q8. Have registered for UDYAM if you have manufacturing unit ? \*

---

41. Q9. What is your current revenue model (e.g., subscription, one-time purchase)? \*

---

42. Q10.Can you outline your revenue sources and streams?

---

43. Q11. Do you have product training centers in different locations? If so, please specify name and their locations \*

---

---

---

---

---

44. Q12. How do you ensure compliance with industry standards and regulations?

---

---

---

---

---

45. Q13. Have you availed any support from Government scheme/policy for your product/technology ? If so, please specify the name of the scheme/policy. \*

---

46. Q9. Please select support expected from TAP-RISE platform for scaling up of above technology.

*Check all that apply.*

- Market Linkages and aggregation
- Making business plan and Financing
- Validation of technology through Certification and licensing
- Product Design and aesthetics
- IPR, branding and any legal support
- Other:

**Thank You!**

Thank you for taking the time to complete the technology assessment questionnaire. We appreciate your thorough and thoughtful responses.

Please ensure that you submit the completed questionnaire at your earliest convenience. Once we receive it, our team will review the details and evaluate how your technology aligns with our criteria. We aim to process assessments promptly and will get back to you shortly with the results.

If your technology meets our standards and criteria, we will be in touch to discuss further support and explore how we can assist you in the areas you need. We look forward to potentially collaborating with you to enhance and scale your technology.

47. Please let us know your feedback/thoughts on this framework! \*
